Many Hands Build a House, Many Hearts Make a School

Term 2, Week 1

Dear all

Welcome back to week one of term two - it is always good to see the children back in school and hear about their exciting holiday activities.

As you will receive a class newsletter today from your child's teacher giving you all the news about the wonderful learning opportunities taking place in school this term, my newsletter is mainly informative regarding updating you on some events happening this term that you may wish to put in your diary.

Our school weekly newsletter is one of the main forms of communication between home and school so please ensure that you make time to read it each week. A copy is usually available to read in the notice board near the red door entrance to school if you have trouble downloading any of the attachments. Mrs Rouse tries (and usually succeeds!) in putting the most current newsletter in the notice board before the end of the school day each Friday.

Although I understand there was some confusion about the dressing up day today, organised by a group of our year 5 and 6 children who are taking part in a special project led by Project Salus, it was great to see how you have all risen to the occasion with foxes, turtles, rabbits, bats and a variety of other animals walking into school this morning. Thank you to you all for taking such a proactive role in this special day and for the money that will be raised due to your support. I am hoping the group involved in organising today will be telling you more about their project in a Celebration Worship later this term.

Until next week... take care and keep warm.

Mrs Wellman
Head of School

Attendance Ted and Punctuality Pete Awards

Attendance Ted will go Badgers achieving 95% attendance. Well done! They were followed by Foxes in second place with 94.17%, Squirrels in third with 91.81% and then Hedgehogs with 91.76%. Whole school attendance was below our target at 93.03%. Let's hope for improvement through the term.

Punctuality Pete will be jointly awarded to Badgers and Foxes with no lates recorded. Brilliant! Foxes and Hedgehogs both reported one late incident. Thank you to everyone who consistently gets to school on time.

The children have started to look at remembering special people and places as we move towards Remembrance Day next weekend. They have produced some amazing displays in the school hall with examples of fantastic work linked to a range of curriculum areas - art, literacy, RE to name but a few.

In school we usually observe the two minute silence at 11.00 am on the 11th day of the 11th month. As this is a Saturday we will be holding a special reflection time in our Celebration Worship session next Friday - 10th November so please join us so everyone in the whole school community can take time out to reflect on those issues important to them at this special time of year. You will also have the opportunity to see the poignant and beautiful displays created by the children.

Poppies in School

We are awaiting poppies to be delivered. Once they arrive Year 6 children will take them round the school for pupils to purchase.

Children in Need Fundraiser – A message from Miss Nel

As you may already know, **Monday 13 November** is the start of this year's BBC Children in Need Appeal Week. Our school is excited to be joining with many others around the UK to participate in the fundraising programme, the **Big BBC Children in Need Spotacular**.

Please can you put this fundraising event in your diary. We will be taking part in this spotty-themed fundraising event by having a non-school uniform day on - **Friday 17th November**. A donation of £1 will go to a good cause. The theme is to dress up with as many spots or dots as possible. On the day, the children will take part in all sorts of Pudsey bear fun culminating in a 'fashion parade' during Celebration Assembly.

Don't forget, as Lloyds Bank will accept old round pound coins for Children in Need donations, during the week, each class will try to break a record and collect the most old round pound coins. So any old coins handed into the class teacher will be much appreciated.

Let's make a big difference to the lives of children in the UK.

NEW Club – Circuit Training with Mrs Coleman (Years 3-6)

Come and get fit with Mrs Coleman at her new Circuit Training club starting this term for Year 3-6 pupils. If you would like your child to take part please complete and return the form below by **Wednesday 8th November 2017**. The club will start on Thursday (9th Nov) next week. (Please note that due to a school meeting diary commitment the club will not take place on Thursday 17th November 2017).
