

Leeds and Broomfield CEP School

Many Hands Build a House, Many Hearts Make a School

Term 3, Week 2

Wow! The first full week back after the break and it is as if we have never been away. The children have settled well and it has been good to get back into our normal school routines. I'd like to say a big thank you to everyone parking in the car park and adhering to our 'please do not park here' requests without the use of our cones! This has worked very well and just helps keep everyone safe and the flow of the traffic moving.

Things are progressing with the paperwork re Mr Jackson being appointed as our new Road Crossing Patrol officer. Hopefully KCC, who are responsible for employing road patrol personnel, will be able to take everything to the next level and Mr Jackson will be able to start in the very near future. Again, thank you for your patience whilst KCC continue to follow their appointment procedures.

Have a lovely weekend – not sure of the weather just yet but hopefully a peek of sunshine may come our way?

Punctuality Pete will be awarded to Squirrels with one late incident recorded. Good effort. Badgers and Hedgehogs both had two lates, Foxes had three. Thank you to everyone who consistently gets to school on time.

Stronger when we work together

Our theme this term is – Community

The children started the week defining what is meant by ‘a community,’ what types of community we know and how we can be a good member of a community.

A community is.....

Sam: All people coming together

Eloise: A special place where we make friends

We also reflected on how our Christian values help us build a strong community Reverend Steve in his special worship session on Wednesday followed this theme and talked about key words linked to a community such as sharing, respect and togetherness.

On our reflection board the children have been asked to write one line towards a special reflection prayer for our school community -

Angharad: ‘Let us be honest in our communities across the world’

If your child is late arriving....

If you arrive after the front door has closed at 8.50am it is vital that you come upstairs to sign the late register and bring your child with you to the office – please do not send your child to their class. Once you have signed the late arrival book a member of the office staff will ensure that your child arrives in their class safely. Thank you for your support with this important request.
