Many Hands Build a House, Many Hearts Make a School

Term 4, Week 6

School Council Newsletter Term 4

As we approach the end of Term 4 we wanted to share our recent achievements. With the money raised from our cake sale back in December, plus some funds given by FOLSA, we have purchased some new play resources for the 'quiet area' of the playground which is currently in development. We are planning on making a reading area, sandpit and space for card games, board games and arts and crafts. This will hopefully allow other parts of the playground to be used for more energetic activities.

Another new addition to the playground is our new Friendship Bench that was the idea and dream of last year's School Council, but has taken a while to come to fruition. The bench and the resources to paint it were kindly donated by Budgens Garden Centre and thank you to FOLSA for organising this. Badgers Class spent an afternoon painting and decorating the bench and it looks fantastic! The seating area is to serve as a sign post for anyone looking for someone to play with and a meeting place for new friendships to be forged.

Our final project this term is to update our Christian School display board, sharing how we demonstrate our relationship with God, every day. School Council are working with Mrs Goodfellow to complete this by the end of term.

Finally, School Council would like to wish Mrs Wellman all the best with her retirement and they will miss meeting with her, to discuss developing our school.

Happy Easter!

Attendance Ted and Punctuality Pete Awards

This week Attendance Ted will go to Hedgehogs achieving 96.71% attendance. Well Done! In second place were Foxes with 93.75%, followed by Squirrels in third with 93% and then Badgers with 88.54%. Overall, whole school attendance is below target at 95.50%.

Punctuality Pete will be awarded to Badgers with one late incident recorded. Good try!! Hedgehogs and Squirrels had four late-comers, Foxes had three. Thank you to everyone who consistently gets to school on time.

Thank you to everyone involved in putting together the Easter service this year. Pupils and staff worked hard to deliver the Easter story and we were pleased that many parents could join us for the service at St Nicholas' church.

We wish you all a peaceful Easter weekend and break.

Family Trust – Funding Competition

The Family Trust has requested that we share with parents and pupils details of a regional funding competition which opens in April. The Family Trust has worked closely with our school and we would like to help them in trying to win funding to support their work. The funding allocated will be decided by public vote and nearer the time we will share the voting link with you so you can cast yours. Please speak to your child about the Family Trust and find out about the good things they have provided in school. More details to follow next term.
