*Many Hands Build a House, Many Hearts Make a School*

Term 6, Week 5

This week has been beautiful! I look forward to seeing lots of you at the summer fayre on Sunday. Thank you in advance to the PTA for all their hard work.

I have been busy with two main tasks this week, we had compliance visits at all of the KULB. These audit check finances, governance and health and safety. These visits went well and we had a positive report.

I have also been looking at the children’s learning in the afternoon this week and have been pleased to see some creative art and design project and some practical learning. The children’s enjoyment and learning in these activities is obvious. Next week the subject of the staff meeting is the creative curriculum and the teachers will be discussing how we can make the learning as enjoyable as possible for the children.

#### **Mark 2: 1-5 (NIV) Jesus Forgives and Heals a Paralyzed Man**

A few days later, when Jesus again entered Capernaum, the people heard that he had come home. 2 They gathered in such large numbers that there was no room left, not even outside the door, and he preached the word to them. 3 Some men came, bringing to him a paralyzed man, carried by four of them. 4 Since they could not get him to Jesus because of the crowd, they made an opening in the roof above Jesus by digging through it and then lowered the mat the man was lying on. 5 When Jesus saw their faith, he said to the paralyzed man, "Son, your sins are forgiven."
