Many Hands Build a House, Many Hearts Make a School

Term 1 week 1

Welcome back - I hope you have all had a fantastic summer break making memories. I would like to begin by thanking both you and your children for making me feel incredibly welcome over the past few days, your children have been brilliant at helping me to find my way. It has been a busy week already with some of Year 6 taking the Kent Test and learning well underway in all classes - I have already read a range of great writing and enjoyed spending time talking to the children.

As a federation KULB have decided to introduce The Daily Mile; which I am sure many of you will have heard about within the press or occurring in other schools. The aim of The Daily Mile is to improve the physical, social, emotional and mental health and wellbeing of our children – regardless of age, ability or personal circumstances. Pupils can choose to walk, jog or run, it's non - competitive: no-one is first or last and it meets the fundamentals of childhood - fun, friends, freedom and fresh air. Children are not required to change their uniform to take part in The Daily Mile, although please ensure that your child has a pair of shoes that they can wear for it in school daily. For further information visit www.thedailymile.co.uk.

Enjoy your weekend.

Letters will be sent out next week to sign up to clubs

The focus of our worship this week has been around new beginnings and about starting the new academic year with a positive attitude and self confidence.

Galatians 5:22-23 But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.
