Many Hands Build a House, Many Hearts Make a School

Term 1 week 2

What a fantastic first full week back we've had. Starting the day off with The Daily Mile has been a great success - children have definitely been more energised and ready to start their learning. Roald Dahl day was an incredibly exciting day for all with a great range of activities and some fantastic costumes; thank you for your assistance with these. I would also like to take the opportunity to thank Miss Pettit for her hard work in coordinating the day.

This week I have undertaken some Maths monitoring within classes - it has been great to see all of the children actively engaged in their learning and persevering through some tricky challenges. I have also had a lot of visits from children this week showcasing their learning, it is brilliant to see how proud they are of what they have achieved and their self confidence growing.

Have a great weekend.

Clubs— Food Tech Club has been a very popular club and over double the maximum number applied for a place. We have picked names out of a hat and if your child has not been successful in gaining a place you will have received an email and a note will come home with them.

All other clubs have been ok with enough spaces for everyone who applied.
