*Many Hands Build a House, Many Hearts Make a School*

Term 1 week 5

I would like to begin by thanking you for your support with Harvest Festival this week; both at the church service and through your kind donations to help those less fortunate within the community. This week we had our first Local Authority visit of the year; discussing our SATs results from the last academic year, the targets and predictions we have set and the steps that we are taking as a leadership team, including Governors, in order to ensure they are met; as well as completing a learning walk. She commented on pupil's confidence to discuss their learning and what they needed to do to further develop.

As a staff we have spent time looking at the roles and responsibilities of the pupils; including a Head Boy and Head Girl to represent the school, house captains and librarians. We look forward to sharing who these are soon and working with the children as a team.

One of the best parts of my job is being able to share the exciting achievements of pupils. I was greeted this morning by Lacey, Jack, William, Tommy, Joseph and Dollcie-Mai who were bursting with enthusiasm and pride about their maths learning..

Have a great weekend.

## Dates for your diary:

Wed 10th Oct—Flu immunisation

15th October—Years 4,5 & 6 Leeds Castle visit

19th October—Last day of term

29th October—First day of term

## Attendance

Our whole school attendance is 94.2% which is lower than our expected 97%.

Thank you to the 56 pupils whose attendance remains above 97%.

## Lateness

Not Late Lee was not awarded this week because the class with the least amount of lates still had 4, this does not include those who were stuck due to the M20 yesterday. Attendance and late letters were sent home this week and it is something we will be monitoring closely. If you do arrive late for any reason there is no need for your child to come to the office to sign in, they need to go directly to class via the brown gate or Hedgehogs through the hall. Parents must not go through the gate as well.

There has also been an increase in parents arriving late for pick up at the end of the day and for clubs. Please ensure that if you are unable to make it in time you have someone else who can collect your child. All clubs finish at 4:15 and school finishes at 3:15.

This week the focus of our Worship has been Harvest - celebrating the provisions that God has given us and the importance of helping those less fortunate.

1 John 3:16-18 (NIV)

This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters. If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth.
