Many Hands Build a House, Many Hearts Make a School

Term 2 week 6

Hello,

The Christmas tree is up, the Christmas story is beautifully displayed, nativity practice is in full swing and it's Christmas Fayre day - it certainly has all come around quickly! We look forward to welcoming you this afternoon from 2pm, I know that a lot of the children are excited to sing their carols to you during the fayre.

This week our Kent School Improvement Advisor visited again; we conducted a learning walk within all classes, looked at pupils books and discussed data and progress for all year groups. She commented on the progress of pupils throughout the school and the children's engagement within their learning. Whilst ensuring this continues, our next steps are to develop and encourage the children's independence within routines and their learning, as well as focusing on the presentation and pride that they take within their books - attendance also continues to be a focus.

Next week is full of fantastic experiences for the children, with workshops, the pantomime, the nativity, Christmas dinner, a trip for Year 4 and Christmas Jumper Day, all rolled into Performance Week - enabling the children to be fully immersed in speaking and listening opportunities.

Have a good weekend!
