Many Hands Build a House, Many Hearts Make a School

Term 3 week 3

Hi,
Yet another week has flown by - it has been a busy but quiet week. Within all classrooms that I have visited (and I was fortunate enough to have the opportunity to teach in Badgers yesterday as Miss Nel was on training) it has been fantastic to see the work ethic of children and that their resilience is beginning to build. This is particularly great to see as it has been our focus for this week which we have integrated into Collective Worship. The recognition focus for this week has been perseverance which I have definitely seen this week particularly in maths with application of the four operations going on in every classroom; and Year 5 and Year 6 battling through long division.

Next week our whole school focus is going to be empathy and our in class behaviour for learning focus will be questioning - encouraging the children to further develop their thinking.

Thank you to those of you who are able to help out over the weekend at our 'Paint Party' - We look forward to working together to make your children's learning environments a brighter place.

Have a great weekend.

Reflection on Jesus the light of the world.

There are two types of light in the world. We can perceive one, or both, or neither! When we are born into this world, we perceive physical light, and by it we learn of our Creator's handiwork in the things we see. However, although that light is good, there is another Light, a Light so important that the Son of God had to come in order to both declare and impart it to men.

[John 8:12](#) records, "When Jesus spoke again to the people, He said, 'I am the Light of the World. Whoever follows me will never walk in darkness but have the light of life.'" The allegory used by the Lord in this verse speaks of the light of His Truth, the light of His Word, the light of eternal Life. Those who perceive the true Light will never walk in spiritual darkness.

Clubs

Children who are taking part in the football and tag rugby clubs need bring in a change of clothes. They are not allowed to wear their PE kit as they may get muddy. PE Kits need to be in school everyday and when they go home after clubs they are often not back in school for a few days.

Many thanks
