

Leeds and Broomfield CEP School

Many Hands Build a House, Many Hearts Make a School

Term 4 week 2

Another week has flown incredibly quickly! We've had a busy week including World Book Day, which Jack has written about below, and a visit from our Kent School Improvement Advisor. Our Improvement Advisor was impressed with the changes that have occurred within school; including the redecoration and restructure of classroom learning environments and the development of teaching strategies. We are continuing to strive to develop these as well as ensuring that children's focus remains on the learning particularly during practical learning where children sometimes have a tendency to get a little over excited, as well as making sure pupils are making continual progress.

Next week is going to be another busy and exciting one. On Tuesday Year 1 are off on their KULB visit to Leeds Castle to take part in the Swan Princess workshop, which looks fantastic. On Wednesday 20 of Year 5 and 6 are going the KULB residential to the Swattenden Centre for 2 nights, accompanied by myself and Mrs Butterfield. In her absence Hedgehogs will be taught on Wednesday by Mrs Goodfellow, who is our regular cover teacher and Miss Nel on Thursday and Friday - Mrs Nugent will be in class for those 3 days. The remaining children in Badgers will be working with Mrs Bubb, completing a small topic based project using a combination of their maths and English skills.

Have a lovely weekend.

Hannah Ward

Weekly awards

Head teacher award: Phoebe B

Pupil of the week: Hedgehogs — George J
Squirrels — Harrison H
Badgers— Chelsea M

Attendance Ted— Hedgehogs with another fantastic week of 100%!!! Well done Hedgehogs!

Not Late Lee— Unfortunately every class had at least one late

Dates for your diary

- 12th March—Year 1 to Leeds Castle
- 13th—15th March—Year 5 & 6 Residential trip
- 15th March—Red nose day
- 5th April 2pm—Easter Service at the church—parents welcome
- 5th April—Last day of term
- 23rd April—First day of term 5

The theme of this week has been continuing to consider the sea – looking closely at the Sea of Galilee. There are episodes in the Gospels where the Sea of Galilee is a place of stability, a symbol of constancy for those who lived around it and relied upon it. Jesus often walked beside the Sea of Galilee.

Matthew 4

4 Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil. ² And when He had fasted forty days and forty nights, afterward He was hungry. ³ Now when the tempter came to Him, he said, "If you are the Son of God, command that these stones become bread." ⁴ But He answered and said, "It is written, 'Man shall not live by bread alone, but by every word that proceeds from the mouth of God.'" ⁵ Then the devil took Him up into the holy city, set Him on the pinnacle of the temple, ⁶ and said to Him, "If You are the Son of God, throw Yourself down. For it is written: 'He shall give His angels charge over you,' and, 'In *their* hands they shall bear you up, Lest you dash your foot against a stone.'" "

Red Nose Day—Friday 15th March

On Friday the 15th March we will be taking part in Red Nose Day, children are invited to wear their red noses and make their hair crazy in exchange for a £1!! The crazier hair style the better!!

World Book Day

Yesterday for World Book day we raised £26.10. If you have not yet donated your £1 please send it in on Monday so that we can finalise the amount raised. Jack T from Badgers has given the following feedback:

“Yesterday it was World Book day and we did 3 activities in 3 groups. First my group designed a Worlds Worst Children book character. Mine played video games all day! Next we were in Miss Pettit’s class and we did a Gangster Granny activity where we tried to steal Mrs Wards hot chocolate! Then lastly we had to design our own rocket ship out of the book, the first hippo on the moon!

To finish the day Miss Pettit read some of The Worlds Worst Children book to all of the school.

It was a cool day and we all had lots of fun!”

Hedgehogs

Belle-Louise

“I’ve been writing a number line, counting to 39! But I can count to 100 now! On Tuesday in class I made some pancakes because it was pancake day, I had sugar and lemon on top. It tasted really yummy!!”

Squirrels

Tom

“In maths we have been doing fractions, halves, thirds and tenths. Yesterday on Thursday we did world book day and I dressed up as Mr Stink! I think I liked all the gangster grannies best as there were so many of them everywhere!”

Badgers

Isabelle

“In English this week we have been writing a fantasy story based on the 3 witches from Macbeth. In maths simplifying fractions so they have the same denominator and then comparing them to see which ones bigger. We put the hall into darkness for science and in pairs worked with torches to see if you stood in front of the torch you could see it.”
